**Detailed Action**

**Drawings**

1. The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the following reference sign not mentioned in the description: 26 (Fig 4a). A proposed drawing correction, corrected drawings, or amendment to the specification to add the reference sign(s) in the description, are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

**Claim Rejections - 35 USC § 112**

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. **Claims 1-13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regard as the invention.**

**Claim 1**, it is unclear how the transparent polymer sheet is attached to the sheet material when the pressure sensitive backing has been removed.

**Allowable Subject Matter**

4. **Claims 1-13 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 112, second paragraph, set forth in this Office action.**

5. The following is a statement of reasons for the indication of allowable subject matter: the prior art of record to Bradford does not teach removing a cover from a pressure sensitive backing on the sheet material and attaching a transparent polymer sheet to a portion of the pressure sensitive adhesive and over the cutout window where it is conventional to provide the frame back panel of Bradford by cutting.

**Art Unit 1734**

**6.** As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

**Conclusion**

**7.** Any inquiry concerning this communication or earlier communications should be directed to Examiner Linda L. Gray at (571) 272-1228, Monday-Friday from 9:00 am to 5:30 pm.
